

13th February 2014

Testimonial

I began my association with SFG in June 2005 after the sale of my business Able Finance. Since then I have continued to operate with SFG as my aggregator. I believe the level of support given to me as an individual allows me to operate an efficient business in today's challenging environment.

SFG has all the support I need and is a size that allows me direct access to decision makers within the company.....

Barry Elmslie
